Work to THE DRY .- We would say to our readers that any one wishing to procure a winters' berth, in a warm shop, can do so by buying the right of the Swinging Wash Tub and Churn, for one or more townships, from Mr. David B. Ream, on court week. Mr. Ream has orders for over one hundred machines. It performs its work nobly; every household should have one. Procure township rights.

GET THE WORTH OF YOUR MONEY .-During the coming two weeks of the Court and Fair, there may, perhaps, be persons in town desirous of purchasing some cheap goods. Wright & Flanigan would have all such, and the public generally, to understand that they are constantly receiving fresh supplies from the east, and consequently are enabled to offer their goods at a very small advance on eastern prices. We would theretore advise consumers of goods to call and examine their stock and prices before purchasing elsewhere.

OUR RAILROAD. -The following paragraph, in reference to the Clearfield Railroad, is copied from the Tyrone Bulletin:

"We have the best authority for saying the grading and bridging of the Tyrone and learfield R. R., north of Philipsburg will be completed by the first of January next. Gov. Bigler broke ground for the extension of the road on the 28th of March last. Messrs. P. & T. Collins, who are the contractors, deserve credit for the energy they have displayed in putting this important work through. They have about 350 hands imployed. The Pennsylvania R. R. Co. have the rails delivered at Philipsburg for the laying of the track. The sills are being rapidly got out, and the track laying will commence on the first of November. By the first of January it is expected that the ears will be running to Woodland. This new road will add vastly to the value of real estate in the neighborhood of Philipsburg, open a new and extensive lumber and coal district to the market, and give a great impetus to the business of this section of the
